Enter your name or AA number the select your name and press the select button. Select the flight you wish to register for. The system knows your class, Division, Round and Handicap. (If you wish to use a different bow type change the division selection.) Press Save You are now registered into the event. The screen will now display the flights within the event again with your name added to the flight. You can register another archer or you can finish registering for an event.

When you wish to finish press the Home button at the top of the screen to return to the Home screen.
