

Southern Cross Archery Club’s Commitment Statement for Safeguarding Children and Young People

Southern Cross Archery Club is committed to the safety and wellbeing of all children and young people who participate in our programs and activities.

We believe that all children and young people have the right to be safe, respected, and supported. We are committed to creating a safe and supportive environment where children and young people can thrive.

We have a zero-tolerance policy for child abuse and neglect. We will investigate all allegations of abuse or neglect promptly and thoroughly. If we believe that a child is in danger, we will take all necessary steps to protect them.

We are committed to providing children and young people with the information and resources they need to stay safe. We offer training to our staff and volunteers on child protection and prevention. We also have a confidential reporting system in place so that children and young people can report any concerns they have.

We believe that everyone has a role to play in protecting children. We encourage parents, carers, and community members to report any concerns they have about the safety of a child.

We are committed to creating a safe and supportive environment for all children and young people.

Signed,

Southern Cross Archery Club Committee
